

Brief Interview with Mostafa Ghanei (Editor)

Pulmonary & Respiratory Medicine

1. How many years have you been associated with the current research?

15 years.

2. What is the research topic you are working on now?

Respiratory complication following chemical exposure especially bronchiolitis.

3. Do you have any research funding (NIH or other national funding) now?

Yes from Iran.

4. When did you become an editor of OMICS Journal?

2010.

5. How does the published scientific content assist the potential researchers?

I think beside other journals in this field it is very helpful.

6. What is the purpose of serving as an editor?

Reviewing paper and providing editorial page.

7. Do you have any patents?

No

8. Have you contributed any editorials or papers (any types) to OMICS

Journals in the past two years?

Yes

9. Do you plan to contribute any editorials or papers to OMICS Journals in the next year?

Yes

10. How would you define your experience with OMICS Group?

I think OMIC is a new road of science and it is attractable for me.

11. Your opinion on conducting Editorial Board meetings at related Conferences? I did not join.

12. Would you recommend OMICS to your friends or colleagues?

Yes

13. How do you differentiate Journal of Pulmonary & Respiratory Medicine with other journals in the field?

I hope in future by focusing on OMIC research and making network in this field it will be more successful.
