

13th Global Experts Meeting on Chemistry and Drug Design Awards Announcement

Laxmi Prasad Thapa

Director at Himalaya Research Institute of Biotechnology Pvt Ltd, E-mail: thapalaxmi555@yahoo.com

Conference Series is glad to announce “13th Global Experts Meeting on Chemistry and Drug Design” which is scheduled to be held during August 17-18, 2020 at Tokyo, Japan and the event is enlightened with the theme “Dynamic Evaluation of Chemistry Domains with Customized Approach Towards Drug Design”.

Expert Level

It is the most prestigious award of the whole conference and is tagged as scientific service Achievement award. The experts who are having more than 20+ years of experience of the related subject field can apply for this award. The person should have the patent or well established research in the field of [Chemistry](#). Now you can apply for this in our conference, [Chemistry Congress 2020](#).

Professional Level

It is also one of the prestigious awards for the conference, [Chemistry Congress 2020](#). The experts of [Chemistry](#) who are having near about 10 years of experience they can apply for this award. Part-time research experience would be counted as pro-rata. It is calculated starting from the date when you obtained the (first) degree entitling you to embark on a doctorate (either in the country in which the degree was obtained or in the country in which the researcher is recruited), even if a doctorate was never started or envisaged.

Scholar Level

This award is for all the researchers who are going to establish or going to join a new area for the Chemistry. Chemistry Congress 2020 would like to provide best platform to expand your network by sharing your research knowledge at stage through their enchanting speech. You can nominate deserving of the award through online.

Women Scientist

This is our unique opportunity for the women scientist/researcher. Women scientist can apply for the respectful award. This is also a great side of [Chemistry Congress 2020](#). We cordially invite women scholars and scientists from Universities/ Industries to join the forum. We are happy to encourage our women scientist's participants through research awards and provide assistance for women scholars in career development and research guidance through our collaborations.

Outstanding Speaker

This award is recognizing for individual who will present their projects, strategies, and schemes in from of the gathering of [Chemistry Congress 2020](#) that have been implemented to improve long-term excellence. They will be awarded for their outstanding speech, outstanding conversation, and by considering many options.

Best Keynote Speaker

This award is recognizes for best Keynote speaker who will present their projects, strategies, and schemes that have been implemented to improve long-term excellence in Chemistry Name. If you were confirmed as keynote presenter from the program manager, you can nominate someone deserving of the award through online

Best Poster

This is also an enthusiastic award which will be awarded by the Poster Judge to the best poster presenter. This may be one/two/many. This will be decided by the Poster Judge of the Conference. Poster Competition is organized at Conference, to encourage mainly the students and recent graduates to present their original research. Conference Series aims to set a platform for the upcoming scientists to present

their real-time work and share their views and aspects related to the Chemistry Congress

Outstanding Thesis

This award is recognizing for Masters/Ph.D./Post Doctorate thesis work Presentation who will present their projects or thesis that have been implemented to improve long-term excellence in the field of [Chemistry](#).
