

## Announcement for COPD and Lungs Conference 2020 scheduled at Kyoto, Japan during 25-26 May, 2020

**Behzad Rahmati**

*Department of Internal Medicine, Isfahan University of Medical Sciences, Iran, Email: behzad.afra@yahoo.com*

Conference Series is organizing “10th International Conference on COPD and Lungs” which is going to be held during May 25-26, 2020 at Kyoto, Japan. The theme of the conference is “Innovative Study on COPD and Clinical Research Issues”. The conference will cover the fields related to COPD and lungs, its complication and the management.

COPD 2020 conference brings together individuals who have an interest in the field of Respiratory and Pulmonary Disease relating to diversified topics like COPD, emphysema, asthma, cystic fibrosis, lung cancer, other pulmonary diseases and therapeutics. It is a forum to explore issues of mutual concern as well as exchange knowledge, share evidence and ideas, and generate solutions.

### Conference Highlights

COPD 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the field of COPD and Pulmonology with namely Behzad Rahmati, Isfahan University of Medical Sciences, Iran.

The event provides an opportunity to meet world's best pulmonology experts presenting their talks on the following highlights which include asthma and COPD, lung cancer, chronic obstructive pulmonary disease, stages of asthma, epidemiology of COPD, etc.

Pulmonary health has a particular interest on the impact changes in respiratory care and the awareness is increasing every year, and therefore COPD 2020 encourages submissions from researchers based in USA, Europe and Asian countries.

The challenge of the field is to evaluate current promising interventions rigorously, address emerging issues such as synthesizing ever-increasing research findings, and develop innovative dissemination and communication strategies.

COPD 2020 will give a best platform for all the Pulmonologists, Doctors, research scholars, students, professors who are working in the field of COPD. COPD 2020 encourages submissions from researchers based in USA, Europe and Asian countries. It also helps in exchanging their knowledge projects with each other to increase effectiveness and quality of the conference. Provides a platform that helps authors to share their knowledge with a wider audience, and sustains a rapid process for submissions resulting in high quality publications.

### Target Audience:

- Pulmonologists
- Students
- Pediatric Pulmonologists
- Physicians
- Professors
- Academicians
- Research Scholars
- Medical Devices Companies
- Software Developing Companies

### Why to Attend?

- Opportunity to meet world's Pulmonology Experts
- Keynote forums by renowned Physicians & Professors
- Plenary talks and Poster presentations by global experts
- Best platform for Global business and networking opportunities
- Oral & Poster presentations by Young Researchers
- Best poster & Young Research Forum awards

### Who to attend?

#### *Faculty Members and Researchers:*

- Keynote Speech
- Plenary Speech
- Poster Presentation
- Symposium (4-5 member team)
- Workshop

#### **Universities, Associations & Societies**

- Association Partnering
- Academic Partnering
- Group Participation

---

**Students and Research Scholars**

- Poster Competition (Best Poster Award)
- Young Researcher Forum (YRF Award)
- Group Participation

**Business Delegates**

- Speaker Presentations
- Symposium hosting
- Book Launch event
- Networking opportunities
- Audience participation

**Product Manufacturers**

- Exhibitor and Vendor booths
- Sponsorship opportunities

- Product launch
- Workshop
- Scientific Partnering
- Marketing and Networking with clients
