

Conference Announcement: Women Oncology & Care

Suchi

Asia Global Goodwill Ambassadors, Singapore

Conference Series is organizing “world congress on women oncology & care” which is going to be held during April 13-14, 2020 at Tokyo, Japan. With basic theme “Challenges in Early detection treatment and prevention possibilities”. The conference will cover the fields related to cancer, its complication and the management. This conference is one of the major events of Conference Series in developing, upgrading and teaching cancer and its types like prostate cancer, lung cancer, skin cancer, etc.

Women Oncology 2020 witnessed an amalgamation of peerless speakers who enlightened the crowd with their knowledge and confabulated on various new-fangled topics related to the field of Oncology with namely MS. SUCHI Motivational Speaker ~ ASPIRERS SOCIETY UK

Conference Highlights

The event provides an opportunity to meet world's best Cancer experts presenting their talks on the following highlights which include: Oncology, Breast Cancer, Cervical Cancer, Ovarian cancer, Endometrial cancer, Lung cancer, Cancer Screening, Integrative care, Cancer Cell Signaling, Cancer Control & Population Health, Oncology Nursing, Cancer Biomarkers, Cancer Awareness and Survival, Cancer: Psychological Aspects, Management of cancer, Chemotherapy, Radiation therapy, Surgery, Management and Treatment of Oncology, etc.

- This is the best opportunity to reach largest meeting of participants from the cancer community. Distribute information, conduct presentations and meet with current and potential scientists.
- This meeting gives the best platform for global business and networking opportunities
- Best poster and young research forum awards are given at the conference.

Women Oncology 2020 will give a best platform for all the oncologists, hematologists, research scholars, students, professors who are working in the field of cancer. Women Oncology 2020 encourages submissions from researchers based in USA, Europe and Asian countries.

It also helps in exchanging their knowledge/ projects with each other to increase effectiveness and quality of the conference. Women Oncology 2020 provides a platform that helps authors to share their knowledge with a wider audience and sustains a rapid process for submissions resulting in high quality publications.
