[Cardiology Conference Committee](#) is glad to announce “27<sup>th</sup> International Conference & Exhibition on Cardiology and Cardiovascular Medicine” during June 23-24, 2020 in Osaka, Japan by focus on the theme: “Fostering the Future Excellence in Cardiology and Medicine”

### CARDIO 2020 Young Scientist Awards:

[Cardio 2020](#) invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Cardio 2020. This Cardio 2020 Young Scientist Awards will be announced at the upcoming “27<sup>th</sup> International Conference & Exhibition on Cardiology and Cardiovascular Medicine” at [Osaka, Japan](#) on June 23-24, 2020.

This **Cardio 2020** is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at [Conference Series](#) always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Researcher Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Cardio 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

Cardio 2020 Conference will be an investigation of new research Innovation in the field of Cardiology and spread the most recent advancements in heart disease prevention and rehabilitation. Discussion on new technology advancement in the field of [Cardiovascular Disease](#), current practices in cardiovascular therapy, Cardiac progenitor cells, Hypertension for the primary care clinician, Stent procedure, Balloon Valvuloplasty, Coronary Thrombectomy, Noninvasive cardiac imaging, Heart failure, Congestive heart failure, Sports Cardiology and more. Detecting heart disease and other cardiac conditions, involves a team of healthcare professionals, of which the [Cardiology](#) technologist is a key player. The market is mainly driven by the increasing research funding for cardiology from

governments and private investors, growing demand for personalized medicine in the U.S. and Europe, and the increasing need for toxicology testing.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in [Cardiovascular Care](#). This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in [Clinical Cardiology](#), Cardiac Imaging, and Cardiac Regeneration and in different fields of cardiology by receiving name recognition at this 2-days event. World-eminent speakers, most recent researches, latest treatment techniques and the advanced updates in Cardiology are the principal features of this conference.

### Eligibility Criteria for Young Scientist Awards: Cardio 2020:

The [Cardio 2020](#): Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

### Past Conference Report:

The “*World Cardiology Conference*” hosted by conference series with the theme, [New Insights in Cardiology for a diverse World](#) was successfully executed during [July 10-11, 2019](#) in [Osaka, Japan](#). The latest and exciting innovations in all areas of Cardiology research offering a unique opportunity for investigators across the globe to meet, network, and perceive new scientific innovations. Benevolent response and active participation was received from the Editorial Board Members of OMICS Group Journals as well as from the Scientists, Doctors, Professors, Nursing Lecturers, Nurses, Pharmaceutical Industries, Healthcare Industries, Researchers and Students from the

fields of Healthcare, those who involved in this successful event.

The conference was initiated with the Honourable presence of the Keynote forum. The list includes:

- “Commonness of familial hypercholesterolemia in Egyptian patients with intense coronary disorder” by Hesham Salah El-Din, Cairo University, Egypt
- “Advances in arrhythmia diagnostics” Erik S Poulsen, Co-founder at Cortrium ApS, Denmark

**Applications are invited on first Serve first basis. Only 25 nominations will be accepted globally.**

#### **Basis for Judging:**

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the [Cardio 2020](#) conference. Selection will be on the basis of individual accomplishments, quality & standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

#### **Nomination:**

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student’s advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the Cardio 2020: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to [cardiovascularabetology@asia-meetings.com](mailto:cardiovascularabetology@asia-meetings.com) along with the online application at the **Cardio 2020** Award page.

#### **Presentation:**

This award will be presented at [Osaka, Japan](#) during Cardio 2020 Conference.

#### **About Hosting Organization: Conference Series:**

[Conference Series LLC LTD](#) is the world’s leading specialist in organizing Academic, Scientific and Business conferences, meetings, symposiums and exhibitions in different verticals and horizontals like Medical, Pharma, Engineering, Science, Technology and Business to promote scientific research. Every year we host more than 3000+ global events inclusive of 1000+ Conferences 1000+ Symposiums 1000+ Workshops in USA, Europe, Middle East and Asia with the generous support and cooperation from our 30000+ Editorial Board Members, 1000+ Scientific Societies. All the conference proceedings are published in the special issues of our 700+ Open Access International Journals with the DOI provided by CROSSREF.
