

Young Research Forum International Conference on Metabolomics October 21-22, 2020 Frankfurt, Germany

Usama El Safy

Professor of Pediatrics and Hematology and Oncology Pediatric Dept-Zagazig University-Sharkia Egypt E-mail: usama12@yahoo.com

Metabolomics-Meta-2020 extends a cordial welcome to all or any the Scientists, Researchers, Research fellows, corporate personnel, Students, Professors and members across the world and sharing new outcomes & approaches in Metabolomics for this excellent international conference.

Metabolomics Management Conference Committee is meant to honor prestigious award for talented Post graduate students, scientists, Young Investigators and researchers, Post-doctoral fellows, trainees, junior faculty in recognition of their outstanding contribution towards the theme of the conference. The Young Scientist Awards make effort in providing a robust professional development for early career academicians by meeting experts to exchange and share their experiences on all aspects of Metabolomics Management.

Young Research's Awards at Healthcare Management 2020 for the Nomination: Young Researcher Forum - Outstanding Masters/Ph.D./Post Doctorate thesis work Presentation, only 25 presentations acceptable at the Metabolomics Management 2020 young research forum.

The award ceremony will be held the forthcoming International Conference on Metabolomics which is going to take place in Frankfurt, Germany during Oct 21-22, 2020.

To nominate, kindly submit your nominations at-

<https://metabolomics.metabolomicsconference.com/research-recognition-excellence-awards.php>

Kindly let us know your interest on or before December 30, 2019 to secure the slot before mentioned deadline.

Waiting for your early and positive response.

Don't hesitate to contact us for further queries.

Regards,

Emily Heston | Program Manager
